

Equipment Use Rules

- Equipment is for use by current dues-paid members only.
- A deposit of **\$250** (in the form of a check payable to **S.O.L.A.R.**) is required for the first two items borrowed and **\$50** for each additional item, unless otherwise agreed upon by the equipment manager.
- The length of time that equipment will be borrowed is determined by the equipment manager and borrowing member. Generally, the equipment is due by the next monthly **S.O.L.A.R.** meeting immediately following the activity, or returned to the equipment manager within 5 days of member's activity. Failure to return equipment in good condition, in a timely manner, or not at all, could result in loss of some or all of the deposit.
- All equipment that **S.O.L.A.R.** owns is available to members, with the exception of rock climbing and caving equipment:
 - Rock climbing gear is only available for **S.O.L.A.R.** climbing trips or classes.
 - Caving equipment is only available for **S.O.L.A.R.** caving trips or classes.
- The member must have completed the Basic Backpacking class or shown proficiency in backpacking activity to borrow backpacking equipment. The equipment manager will determine and/or verify member's qualifications.
- All classes have priority over the equipment while the class is in session.
- Equipment is available on a first come, first serve basis

School for Outdoor Leadership, Adventure and Recreation Equipment Use Agreement

I have borrowed the following equipment from **S.O.L.A.R.** or one of its representatives:

I have read and understood the **S.O.L.A.R.** Equipment Use Rules

I understand there are inherent and other risks in the activity for which this equipment is to be used (camping, backpacking, mountaineering, hiking, climbing, boating, bicycling, team or individual sports or other recreational-type activities) and that injuries are a common and ordinary occurrence of these activities, and I freely accept those risks.

I agree that I will return the equipment clean and dry and with all the related components (i.e. rain fly, poles, stuff sacks, etc) and in a timely manner. I understand that if the equipment is returned damaged in any way or not at all, **S.O.L.A.R.** reserves the right to cash my check to cover the damages.
